ACADEMICS

Grades and Progress Reports: Grades give you information about the progress you are making toward learning goals. You and your parents can access grades through Skyward, and teachers update grades on Skyward about every two weeks. If you have questions about grades, you should contact your teacher. Both Quarter Progress Reports and Semester Grade Reports are available to students and families through Skyward approximately one week after the end of the quarter or semester.

Assignments: Below are responsibilities you have as a student regarding classwork, homework, and learning.

1. Students are responsible for taking accurate notes, paying close attention to instruction in class, and putting forth consistent effort to learn the content of the class.
2. Students are responsible for keeping an up-to-date calendar in their Student Planner, tracking assignments through TEAMS.
3. Students are responsible for seeking help from their teacher when they do not understand an assignment or a concept. FLEX is a great time to ask for help.

Academic Honesty: Academic honesty is vital to learning, and there are consequences for students who plagiarize or copy work, in whole or in part, and represent that work as their own. Copying or borrowing the work of others is cheating. The penalty for cheating and/or plagiarism could result in a loss of credit for the assignment, redoing the assignment, or further disciplinary action. Please refer to the [LWSD Student Rights and Responsibilities](#).

ACTIVITIES

Student Groups: We offer a variety of groups for students based on interests. Some offerings might include:

Anime	Green Team	Random Acts of Kindness
Battle of the Books	LGBTQ+ PRIDE CLUB	Star Wars
Culinary	Multicultural Club	Yearbook
Dungeons and Dragons	Math Olympiad	Honor Society

Student groups meet during FLEX most of the time, but they may also meet before or after school. More information about groups will be shared with students at the beginning of the school year. Please note that any activity or club that receives financial support from ASB requires participants to purchase an ASB card.

Associated Student Body (ASB) and Student Government: The Associated Student Body (ASB) is the governing body of Evergreen Middle School. Its purpose is to propose, discuss, and vote on legislation for the good of the student body and school. A president, vice president, secretary, treasurer, historian, and public relations officer are elected in the spring for the following school year. Six 8th grade Members at Large are elected to the ASB Board as well. These 12 students, along with the representatives from each class, form the ASB Executive Board. ASB organizes the school's assemblies, dances, lunchtime activities, charity drives and service projects, and many other school activities.

Assemblies: We have different types of assemblies at EMS: spirit, informational, entertainment, and recognition assemblies. Assemblies provide opportunities to practice formal audience behavior. For all assemblies, students are expected to act in a polite and respectful manner. Students should leave notebooks, books, backpacks, coats, etc. in their classroom or locker. As always, phones should remain turned off and out of sight for the entire assembly.

Dances: Evergreen offers several all-school dances/socials throughout the year. Tickets can be purchased at school during lunch and online. Students must present their ticket/wristband and picture ID card to be admitted to the dance.

- All dances and socials are for Evergreen students only – no guests are allowed to attend.
- Dances are held at the school, typically in the gym and commons.
- Students attending dances are expected to arrive on time and may not leave early.
- Students must follow our PRIDE expectations at all school events.

ATTENDANCE POLICIES AND PROCEDURES

Consistent attendance for all students is a high priority at Evergreen. Please schedule vacations, appointments, and other events on non-school days or outside of school hours. Students who consistently attend school have greater academic achievement, higher assessment scores, and higher graduation rates.

Students may be excused from school, with the consent of their parents/guardians, for medical and dental appointments and to accompany their parents/guardians on out-of-town trips. Additional absences consistent with WAC 392-400-325 will also be considered excused. Parents or guardians should notify the school in person, by phone, or in writing/email within 48 hours of an absence if they wish to have the principal consider it as an excused absence.

All students are expected to remain on campus for the entire school day. Students who demonstrate chronic absenteeism or tardiness may be required to meet with school staff or the principal to develop a plan to support the student's educational progress.

Procedure for Reporting a Full Day Absence: A parent or guardian may excuse their student's absence by:

- Calling the attendance recorder at 425-936-2361 **before 8:00 a.m.**
- Sending a written note with their student. The student is to report to the Attendance Office before school to turn in a written excuse.

Tardy/Late Arrival: Students are expected to be in their 1st period class and ready to learn by the 8:25am bell. Also, they are expected to move to each class within the 5-minute passing period.
