Elective classes

Electives are a great opportunity to try new content area, skills and creative tools! Please list your choices for your electives; refer to the back of this sheet for a list of classes offered to your grade level. Students will receive a total of 2 electives in the year. (Remember: A full-year class will count as two electives.)

Note: Give careful consideration to selections, as students **will be required to keep their classes if indicated as a preference**. While counselors will do their best to meet these requests, Evergreen Middle School cannot guarantee placement in electives due to a variety of issues: enrollment capacity, teacher availability, space availability, and the needs of an individual student's schedule.

Your selections must be chosen from the list on the back of this sheet. **(Fitness is a requirement; do not list it as a choice)**
